

COMMERCIAL SERVICES

Gettle Incorporated presently serves over 100 businesses throughout the Mid-Atlantic region.

MICHEL'S DISTRIBUTION **Aberdeen, MD**

Michel's Distribution, a logistics/warehousing company with several distribution warehouses in Maryland, worked with Gettle Incorporated on the construction of a 600,000 and 400,000 square foot warehouse on the same property in Aberdeen, MD. The larger building has two secondary metered 277/480v electrical services, a 25,000 square foot office area, 80 battery charging stations, H3 hazardous materials room, 1000 watt bi-level lighting throughout, a smoke evacuation system and 131 dock locations with hydraulic dock levelers, electrical overhead doors and electric dock locks. The smaller building has one secondary metered 277/480v electrical service, a receiving dock office, 40 battery charging stations, 1000 watt bi-level lighting throughout and 84 dock locations with hydraulic dock levelers, electrical overhead doors and electric dock locks. Both buildings have fire alarm systems, paging, site lighting and emergency generator systems.
